Ok then back to basics  
Grab your shell toes and your fat laces  
A little hand clap for some funk faces  
And make your body move in the following places  
Goes up your back and then down your spine  
And when it hits your head...

Ok then back to baseheads  
Dance like you just won at the special Olympics  
I got the rudebox of the back of a spaceship  
So sick I just had to take it  
The R.U.D.E.B.O.X.  
Up yer jacksy, split yer kecks  
Sing a song of semtex  
Pocket full of Durex  
Body full of Mandrax  
Are we gonna have sex (yes)  
Will you wear your knee socks (ohh)  
Back to the rudebox

Got this double fantasy  
Where we just never stop  
I've got one design  
And that's to funk you to the top  
Know whats on my mind  
There's only one thing you will find  
I got one design  
And that's to bump you 'till you drop

Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty  
Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty

Ok then back to spaceship  
Take both pills  
Fuck the matrix  
Jack those jills  
Shake your Playtex  
Rock three stripes  
Not the Asics  
A.D.I.D.A.S.

Old school 'cos it's the best - yes  
TK Max cost less yes  
Jackson looks a mess bless

Ok then what to do  
If you try to jack me  
I'll rudebox you  
If you rudebox me  
I'll rudebox your whole crew  
'Cos it's what I do  
Ain't that right boo? - true

I'll ride with you  
If you can get me to the border  
'Cos the sheriff's after me  
For what I did to his daughter  
I did it like this - You did it like that

I love it when you double clap clap

Grab this double fantasy  
Where we just never stop  
I've got one design  
And that's to funk you to the top  
Know whats on my mind  
There's only one thing you will find  
I got one design  
And that's to bump you 'till you drop  
Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty  
Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty  
Ok then check the tan line  
Make your body shape  
Like you're stood on a landmine  
Call me on my mobile  
Not the landline  
And the jack the mainline  
At the same time

Ok this is what we do  
Got a jam so fresh  
It's nice for you  
Ok give it what you got  
And dial 808 for the bass to drop  
Ok then what's the fracas  
Grab your cardy your lead hat and your bus pass  
You don't sweat much  
For a fat lass  
Grab your rudebox  
'Cos your box is righteous

Ok bum rush the show  
I got high speed dubbing on my stereo  
And all the tunes in the box are the cherrio  
I know I told you before  
Did you hear me though

Grab this double fantasy  
Where we just never stop  
I've got one design  
And that's to funk you to the top  
Know what's on my mind  
There's only one thing you will find  
I got one design  
And that's to bump you 'till you drop  
Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty  
Rudebox, do the rudebox, cos you so nasty  
Rudebox, shake your rudebox, why you so nasty
