Do nothing till You hear from me
Pay no attention to what's said
Why people tare the seam
Of anyone's dreams
Is over my head

Do nothing till you hear from me
At least consider our romance
If you should take the words
Of others you heard
I haven't a chance

True, I've been seen
With someone new that doesn't mean
I've been untire while we're appart
All the words in my heart
Reveal how I feel about you

So kiss may cloud my memory
And other arms may hold a thrill
But please do nothing till
You hear it from me
Baby you never will

(instumental)

True, I've been seen
With someone new that don't mean
I've been untire while we're appart
All the words in my heart
Recall how I feel about you

Some kiss may cloud my memory
And other arms may hold a thrill
But please do nothing till
You hear it from me
Please do nothing till
You hear it from me
Please do nothing till
You hear it from me

Baby you never will
