Come and hold my hand
I wanna contact the living
Not sure I understand
This road I've been given
I sit and talk to God
And he just laughs at my plans
My head speaks a language
I don't understand

I just wanna feel
Real love fill the home that I live in
Cos I got too much life
Running through my veins
Going to waste

I don't wanna die
But I ain't keen on living either
Before I fall in love
I'm preparing to leave her
Scare myself to death
That's why I keep on running
Before I've arrived
I can see myself coming

I just wanna feel
Real love fill the home that I live in
'Cause I've got too much life
Running through my veins
Going to waste
And I need to feel
Real love, be in love ever after
I can not get enough

I just wanna feel
Real love fill the home that I live in
I've got too much love
Running through my veins
To go to waste

I just wanna feel
Real love, be in love ever after
There's a hole in my soul

You can see it in my face
It's a real big place

Come and hold my hand
I wanna contact the living
Not sure I understand
This road I've been given
Not sure I understand
Not sure I understand
Not sure I understand
Not sure I understand
