The correct title of this song is
Trippin' - From the Intensive Care album
First they ignore you
Then laugh at you, and hate you
Then they fight you
Then you win

When the truth dies
Very bad things happen
They're being heartless again

I know it's gone and there's gonna be violence
(Want you to love me)
I've taken as much as I'm willing to take
(Want you to be)
Why do you think we should suffer in silence
(The heavens above me)
When a heart is broken, there's nothing to break
(Eternally)

You've been mixing with some very heavy faces
The boys have done a bit of bird
They don't kill their own
And they all love their mothers
But you're out of your depth son
Have a word

I know it's gone and there's gonna be violence
(Want you to love me)
I've taken as much as I'm willing to take
(Want you to be)
Why do you think we should suffer in silence
(The heavens above me)
The heart is broken, there's nothing to break
(Eternally)

All is wonderful in past life
Dreaming of the son she wants
You should see me in the afterlife
Picking up the sons of guns

RAP:

When you think we're lost, we're exploring
What you think is worthless, I'm adoring
You don't want the truth, truth is boring
I got this fever, need to
Leave the house
Leave the car
Leave the bad men where they are
I leave a few shells in my gun
And stop me staring at the sun

I know it's gone and there's gonna be violence
(Want you to love me)
I've taken as much as I'm willing to take
(Want you to be)
Why do you say we should suffer in silence
(The heavens above me)
My heart is broken, there's nothing to break
