(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)
First you say you want me
Then you don't want me really
Baby, do I scare you?
Am I talkin' too freely?

I got no perspective
On the things that you lack
Baby, I don't care
Just lie on your back

Baby, I'm crazy
(Yeah)
But lady, I'm lazy
(Yeah)
Amaze me
(Yeah)
Baby, I'm fading
(Yeah)
My mind's all jaded
Amaze me
(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)

I'm so superstitious
So there's something you should know
The reason I'm doing you is
'Cause your friend said, "No"

I've been suicidal since
God, I don't know when
So get down on your knees
Say your prayers, Amen

Baby, I'm crazy
(Yeah)
Lady, I'm lazy
(Yeah)
Amaze me
(Yeah)
Baby, I'm faded

(Yeah)
My mind's all jaded

Give me Texas wisdom
Massive systems
Can't update you in time
Mother said, "Son, if you do it too long you'll go blind"
(Tell me tell me tell me tell me)
(Oh yee oh yee oh yee)

(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)
Baby, I'm lazy
(Yeah)
But lady, I'm crazy
(Yeah)
Amaze me
(Yeah)
Baby, I'm faded
(Yeah)
My mind's all jaded
One, two
(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)

Everybody gettin' cash for the bung
Everybody wants to know how I'm hung
You can read it in the papers
I'm a giver not a taker
But it won't be the same

Everybody gettin' cash for the bung
Everybody wants to know how I'm hung
You can read it in the papers
I'm a giver not a taker
But it won't be the same
(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh)
