You've done it all  
You've broken every code  
Pull this level to the floor  
You've spoilt the game  
Don't matter what you say  
The lonely metal, what a ball  
Oh blue eyes, blue eyes  
How could you tell so many lies  
Come up and see me  
Make me smile  
And do what you want  
For a little while

Come up and see me  
Make me smile  
And do what you want  
For a little while

( Mr Tom Jones )

You Can Leave Your Hat On

Let me take off your coat ( tell 'em Tom )  
Real slow  
Let me take off your shoes  
I'll help you take off your shoes  
( Yeah Yeah Yeah Yeah )  
You give me reason to live  
You give me reason to live  
You give me reason to live  
You give me reason to live

Yeah Yeah Yeah Yeah

Well you can leave your hat on  
You can leave your hat on  
You can leave your hat on

You can leave your hat on

Land Of A 1000 Dances

One Two Three  
One Two Three

You've got to know how to pony  
Like a mony de roady  
Mashed potato  
And do the alligator

Put your hand on your hip  
And let your back bone slip  
Do wah tootsie  
Like your auntie Lucy

Na na na na na na na na  
Na na na na na na na na

You've got to know how to pony  
Like a mony de roady  
You've got to mashed potato  
You've got to alligator

Put your hand on your hip  
And let your back bone slip  
Do wah tootsie  
Like your auntie Lucy

Na na na na na na na na  
Na na na na na na na na
