Yee-haw

Queen Bitch, eat the rich  
I'm on the second course today  
I'm not the first and I won't be the worst  
She's done most of L.A.

Can't find a virgin, I can get you a surgeon  
Twenty-four hours a day  
Collagen Jeanie, you big-lipped meanie  
I'm about to be blown away, come on, sing it

Take me to the place  
Where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a Green Card in the way  
The Holy Ghost and the whole East Coast  
Are moving to L.A.

And we've been  
Dreaming of this feeling since 1988  
Mother, things have got to change  
I'm moving to L.A.

Take the piss, always English  
God bless you, Uncle Sam  
You got a cool gene pool and our winter's cruel  
And God knows I love to tan

Making cents and dead Presidents  
Before I could count to ten  
With a nation behind me, can't stop the limey  
She's on her back again, come on, sing it

Take me to the place  
Where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a Green Card in the way

The Holy Ghost and the whole East Coast  
Are moving to L.A.

'Cause we've been  
Dreaming of this feeling since 1988  
Mother, things have got to change  
I'm moving to L.A.

L.A., L.A., L.A.  
L.A., L.A., L.A.  
L.A., L.A., L.A.

Take me to the place  
Where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a Green Card in the way  
The Holy Ghost and the whole East Coast  
Are moving to L.A.

'Cause we've been dreaming  
Of this feeling since 1988  
Mother, things have got to change  
I'm moving to

Hot fudge, here come the judge  
There's a Green Card in the way  
The Holy Ghost and the whole East Coast  
Are moving to L.A.

'Cause we've been dreaming  
Of this feeling since 1988  
Mother, things have got to change  
I'm moving to L.A., moving to L.A.

Keep on movin', keep on movin',  
Keep on movin' to L.A.  
L.A., L.A.  
Gotta move down to L.A.

Keep on movin', keep on movin' on  
Keep on movin', movin' on  
Keep on movin', movin' on  
Keep on movin', keep on movin' on

Keep on movin', keep on movin', keep on movin'  
keep on movin', keep on movin' on  
Keep on move, a move, move, a move, a move  
Move move move move and stop
