Did my best to notice
When the call came down the line
Up to the platform of surrender
I was brought but I was kind
And sometimes I get nervous
When I see an open door
Close your eyes, clear your heart

C-c-c-c-c-cut the cord
Are we human or are we dancer?
My sign is vital, my hands are cold
And you're on your back being tickled by a dancer
Daddy don't suffer with pet dander

Pay my respects to grace and virtue
Send my condolences to good
Give my regards to soul and romance
They always did the best they could
And so long to devotion
You taught me everything I know
Wave goodbye, wish me well

You've gotta let me go
Are we human or are we dancer?
My sign is vital, my hands are cold
And I'm on my knees looking for the answer
Are we human or are we dancer?

Will your system be alright
When you dream of home tonight?
There is no message we're receiving
Let me know, is your heart's still beating

Are we human or are we dancer?
My sign is vital, my hands are cold
And you're on your back being tickled by a dancer
Daddy don't suffer with pet dander

Are we dancer?
Sign is vital, my hands are cold
And I'm on my knees looking for the answer

Are we human or are we dancer?
Are we human or are we dancer?
