(Hello, hello, hello)

Yoko's cutting keys in Soho
I've been there and I should know oh face it
I'll stick up for Aunty Sally
Worzel's just a dirty scally fragrant
Mia Farrow's patching marrows down at the place
where all the face fit
Robin Cousins doing dozens on a little pudding so he
rakes it

I'm the reserection
I may steal your soul
I am fairly evil
I live for rock and roll

Shirley Bassey's playing Lassie up a pole in
Tallahassee hates it
Norris McWhirter's doing furters in a little place how's
he fake it
It's another appetiser I can go and buy a Tizer laced fit
I don't know where I've been but I know where I've been
is near a lake

I am an erection
I may steal your soul
I am fairly evil
I live for rock and roll

(Sock it to me daddy)

I am an erection
I may steal your soul
I am fairly evil
Only for rock and roll

(Dance dance)
(yeah yeah)

(Hello, hello)
