Oo we've got a live one,
Featherweight icon
Heroes let 'im down so
He sleeps with the light on
And there's nothin' left to do
But kneel down and pray

Sail away with Caesar
If you're a non believer
Everybody get high
If you're a diamond geezer
It's the devil that needs ya
So go out and play

Blame yourself it's easier
There's no need to trouble her
You trouble her

Jesus in a camper van he said sorry to
Leave you but I've done all I can
I suppose even the son of God
Gets it hard sometimes
Especially when he goes round
Saying I am the way

And now it's four in the mornin'
Yes yes y'all in
No one can shoot
But everybody's scoring
Trust me it's boring
Get down and pray

They told you not to meddle
With the bass and the treble
There's dust on your needle
And you think that you're a rebel

You're Evel Knievel
So get down and pray

Blame yourself it's easier
There's no need to trouble her
You trouble her

Jesus in a camper van
He said sorry to leave you
But I've done all I can
I suppose even the son of God
Gets it hard sometimes
Especially when he goes round
Saying I am the way

I am the way, I am the way, I am the way
I am, I am, I am, I am, I am, I am, I am the way

Jesus in a camper van
He said sorry to leave you
But I've done all I can
I suppose even the son of God
Gets it hard sometimes

Jesus in a camper van
He said sorry to leave you
But I've done all I can
I suppose even the son of God
Gets it hard sometimes

Blame yourself it's easier
There's no need to trouble her
Blame yourself it's easier
There's no need to trouble her

Jesus in a camper van
He said sorry to leave you
But I've done all I can
I suppose even the son of God
Gets it hard sometimes

Jesus in a camper van
He said sorry to leave you
But I've done all I can
I suppose even the son of God

Gets it hard sometimes
