Did you do that girl that was in that soap?
Did ya?
Will you save the whale? Will you be Bob Hope
Will ya?

I'll tell you about my Pepsi deal if you like
A celebrity village bike with a mike
I get more press when there's a war on

Come sing a song with me, a simple symphony
I'll be a karaoke star
Lush strings and Timpani have got it in for me
Look how I'm dancing, love

Justify what you get paid
Can ya?
Doctors save lives and you get laid
Don't ya?

Apologize for the job that you do
It would be nice if you were talented too
I think you better lock up your daughter

Come sing a song with me, my simple symphony
I'll be a karaoke star
Lush strings and Timpani have got it in for me
Look how I'm dancing, love

Everyone say you're pretty
Everyone say I'm handsome
Everyone say you're pretty
Everyone say I'm handsome

Everyone say you're pretty
Everyone say I'm handsome
Everyone say you're pretty
Everyone say I'm handsome

Everyone say you're pretty
Everyone say I'm handsome

Everyone say you're pretty
Everyone say I'm handsome

Everyone say you're pretty
Everyone say I'm handsome
Everyone say you're pretty
