Lie down  
Please don't wake me  
Nothing's  
Sacred  
And no one saved me

In my  
Black eye  
I can feel her  
Moving  
Closer  
Cant you hear her

Only gift you gave to me  
The self fulfilling prophecy  
I need to change the sounds that shape my life

And if you die  
before I leave  
What on earth  
Becomes of me  
Look around  
There's no one here  
To love me  
And hold me

Take me  
Dancing  
I love music  
Keep on  
Singing  
We wont lose it  
Picture  
Me there  
Missing no one  
If young hearts  
Run free  
Why cant we go on  
Go until they kick us out  
We've everything to talk about  
I could bring the song into your life

If you should die  
Before I leave  
What on earth  
Becomes of me  
Look around  
There's no one here  
To love me  
And hold me

Maybe I've been away too long  
I know I'm not always right  
But is that wrong  
They say there's nothing I cant do  
I talk to strangers  
And wave to you

If you should die  
Before I leave  
What on earth  
Becomes of me  
Look around  
There's no one here  
To love me  
And hold me

And if you die  
Before I leave  
What on earth  
Becomes of me  
Look around  
There's no one here  
To love me
