I'm getting to grips with what you said  
No it's not in my head  
I can't awaken the dead  
Day after day  
Why don't we talk about it  
Why do you always doubt that there can be a better  
way  
It doesn't make me wanna stay

Why don't we break up  
There's nothing left to say  
I've got my eyes shut  
Praying they won't stray  
Oh we're not sexed up  
That's what makes the difference today  
I hope you blow away

You say we're fatally flawed  
When I'm easily bored  
Is that OK  
Write me off your list  
Make this the last kiss  
I'll walk away

Why don't we talk about it  
I'm only here don't shout  
If you give 'em time, you'll forget  
Let's pretend we never met

Why don't we break up  
There's nothing left to say

I've got my eyes shut  
Praying they won't stray  
And when I'm sexed up  
That's what makes the difference today  
I hope you blow away

Screw you  
I didn't like your taste  
Anyway I chose you  
And that's all gone to waste

It's Saturday  
I'll go out and find another you

Why don't we  
Why don't we break up  
There's nothing left to say  
I've got my eyes shut  
Praying they won't stray  
Oh we're not sexed up  
That's what makes the difference today  
I hope you blow away  
I hope you blow away  
I hope you blow away
