spoken]

Jonathon: (american accent) Johnny and Robbie

Robbie: What you talking like that for, you're from Stoke!

Jonathon: I dunno but I can't stop here pally

Like the wallpaper sticks to the wall
Like the seashore clings to the sea
Like you'll never get rid of your shadow
You'll never get rid of me

Let all the others fight and fuss
Whatever happens, we've got us.

[Me and my shadow]

We're closer than pages that stick in a book

We're closer than ripples that flow in a brook

[Strolling down the avenue]

Wherever you find him, you'll find me, just look

Closer than a miser or the bloodhounds to Liza

Me and my shadow

We're closer than smog to all of L.A.

We're closer than Ricky to confessing he's gay??

Not a soul can bust this team in two

We stick together like glue

And when it's sleeping time

That's when we rise

We start to swing

Our clocks don't chime

What a surprise

They ring-a-ding-ding!

Happy New Year!

[Me and my shadow]

And now to repeat what I said at the start

They'll need a large crowbar to break us apart

We're alone but far from blue

Before we get finished, we'll make the town roar

We'll hit a few late spots, and then a few more
We'll start up at Stringy's and maybe ? show
Life is gonna be we-wow-whee!
For my shadow and me!

[spoken]

Jonathon: Can we do that again

Robbie: No, I'm too tired

Jonathon: Please Rob

Robbie: No, I'm swung out

Jonathon: I'll give you some money

Robbie: I don't need money

Jonathon: What about a cup of tea

Robbie: Not thirsty

Jonathon: I'll won't tell anyone you're gay.

(Both Laugh)

Before we get finished, we'll make the town roar
We'll hit all the late spots, and then a few more
We'll start up at Stringy's and maybe ? show
Life is gonna be we-wow-whee!
For my shadow and me
