You've done it all, you've broken every code
And pulled the Rebel to the floor
You spoil the game, no matter what you say
For only metal what a bore
Blue eyes, blue eyes, how come you tell so many lies

Come up and see me, make me smile
And do what you want for a little while
Come up and see me, make me smile
And do what you want for a little while

Mr Tom Jones!
Baby take off your coat (Tell 'em Tom!)
Real slow
Baby take off your shoes
I'll help you take off your shoes

You give me reason to live
You give me reason to live
You give me reason to live
You give me reason to live

Well, you can leave your hat on
You can leave your hat on
Well, you can leave your hat on
You can leave your hat on
Well, you can leave your hat on

Leave it on, Leave it on,
Leave it on, Leave it on,
Leave it on, Leave it on,
Leave it on,
You can leave your hat on yeah

You gotta know how to pony
Like Mony Baronie
Mashed potato
Do the alligator
Put your hand on your hip
Let your backbone slip
Do the Watusi

Like your Aunt Lucy

Naa na na na...

You gotta know how to pony
Like Mony Baronie
You gotta mashed potato
You gotta alligator
Put your hand on your hip
Let your backbone slip
Do the Watusi
Like your Aunt Lucy

Naa na na na...
Yes!
Sing it with us now!
Naa na na na...

Long tall Sally
Jump back in that alley babe
Put your hand on your hip
Let your backbone slip
