"My Generation"

People try to put us down (talkin' 'bout my generation)
Just because we get around (talkin' 'bout my
generation)
The things we do look awful cold (talkin' 'bout my
generation)
I hope I die before I get old (talkin' 'bout my
generation)

My generation
My generation
My generation
My generation

Why don't you all f*ck off, fade away (talkin' 'bout my
generation)
And don't try to dig what we all say (talkin' 'bout my
generation)
I ain't try to cause a big sensation (talkin' 'bout my
generation)
I've been talkin' 'bout my generation (talkin' 'bout my
generation)

My generation
My generation
My generation
My generation
