My name is, my name is, my name is  
Robbie Williams  
My name is, my name is, my name is  
(Robbie Williams)

Hi kids! Do you like violence?  
Wanna see me stick nine inch nails through each one  
of my eyelids?  
Wanna follow me and do exactly like I did?  
Try acid and f\*ck up worse than my life is?

My brain's dead weight, I'm trying to get my head  
straight.  
'Cause I can't figure out, which Spice Girl I wanna f\*ck.  
As Slim Shady said: "Oh, Robbie, you're a basehead!"  
Uuh-uuh  
"Oh yes you are, your face is red, why do you waste it  
then?"

You see from age twelve, I've felt like someone else  
'Cause I hung my original self from the top bunk with a  
belt  
Walked into a strip club, and ripped Pamela Lee's tits  
off  
And said Dave, I didn't know selling dope was going to  
be this odd

My name is, my name is, my name is  
(Robbie Williams)  
My name is, my name is, my name is  
(Robbie Williams)  
Correct!
