Oh, hey
Oh, yeah, oh, yeah
To you
Mmm mmm mmm
Oh, yeah, babe

My whole life has changed
Since you came in, I knew back then
You were that special one
I'm so in love, so deep in love

You make my life complete
You are so sweet, no one competes
Glad you came into my life
You blind me with your love, with you I have no sight

Girl, you open me, I'm wide open
And I'm doing things I never do
But I feel so good, I feel so good
Why it takes so long for me finding you

This is my story and I'm telling you
It's not fiction, it's surely a fact
Without you right here having my back
I really don't know just where I'd be at

My whole life has changed (My whole life has changed)
Since you came in, I knew back then (Ooh oh)
You were that special one (You were that)
I'm so in love, so deep in love

You make my life complete (You make, make my life
complete)
You are so sweet (Oh, oh), no one competes
Glad you came into my life (Ooh)
You blind me with your love, with you I have no sight

I analyzed myself, I was buck wild
Never thought about settling down
But all the time I knew I was ready
But not with all my friends around

But girl, I put you first now (I put you first now)
You made me, helped mould me (Helped mould me,
baby)
Turned me into a man, I'm so responsible
And I owe it all to you

My whole life has changed (My whole life has changed)
Since you came in, I knew back then (Oh, oh)
You were that special one (You were that special one)
I'm so in love, so deep in love (Oh, oh, oh)

You make my life complete (You make my life
complete)
You are so sweet, no one competes
Glad you came into my life (So glad you came in)
You blind me with your love (Blind me, baby)
With you I have no sight

{God has blessed me} God has blessed me, baby
Girl, He was good to me when He sent you
{I'm so happy, baby}
I'm so happy, I'm so happy, baby, oh, yes, baby
{Share my world} Come and share my world, baby
Oh whoa yeah yeah
{I'm so in love} I'm so in love
I'm addicted to your love, baby, yeah

My whole life has changed (Oh, yes, I am)
Since you came in, I knew back then (Ooh)
You were that special one (You were that very, very
special one)
I'm so in love (You were that very, very special one)
So deep in love

You make my life complete (You make my life
complete)
You are so sweet (Yes, you did, baby), no one
competes
(No one competes, oh)
Glad you came into my life
You blind me with your love (Come on)
With you I have no sight

My whole life has changed (My whole life has changed)
Since you came in, I knew back then
(You made a difference in my life)
You were that special one
(I knew you were that special one)
I'm so in love, so deep in love
(When I first laid eyes on you, babe)

You make my life complete
(You make my life complete)
You are so sweet, no one competes (No one competes,
baby)
Glad you came into my life
You blind me with your love
With you I have no sight (Come on)

My whole life has changed (Oh whoa whoa whoa)
Since you came in, I knew back then
