I believed in love  
Love at first sight  
I gave my heart to someone  
Whose love was a lie  
I took up with those  
Who caused me misery  
They only wanted money  
Didn't care about me

That's life  
But I close the evil doors  
That's life  
No I won't fall anymore  
That's life  
I finally feel the power in me

When there's no turning back  
To the one I was before  
And there's no turning back  
'Cause I'm going for more  
This time I don't reach for nowhere  
'Cause He gave me the sign  
On my way to the time  
Where my heart is high

I did everything  
For all the friends I had  
But when they didn't need me  
I could drop dead  
My mind was a prison-cell  
Of all the evil thoughts  
Caused by disillusion  
I ran outta love

That's life  
But I'm changed forever more  
That's life  
No I don't crawl anymore  
That's life  
I finally feel the power in me

[Chorus]

I feel the strength - time and again  
It takes me there  
To the world - to the place  
Where the heart is high  
I'll reach the top - I won't give up  
I'll find my love  
No I never know  
Who I can be without a try

Maybe my demands are much too high  
But can't you see for less  
I'd rather die  
I love you - love you  
True - true - true - true  
True love never dies

I am the answer myself  
I searched so long - I went so wrong  
I lived a lie

Just feel the power forever - ever  
There's no - no turning back  
No there's no - no turning back  
No there's no turning back for you  
For you - just for you
