The only one I know  
Has come to take me away  
The only one I know  
Is mine when she stitches me

The only one I see  
Has found an achin' in me  
The only one I see  
Has turned her tongue into me

Everyone has been burned before  
Everybody knows the pain

The only one I know  
Never cries, never opened her eyes  
The only one I know  
Wide awake and then she's away

The only one I see  
Is mine when she walks on the street  
The only one I see  
Has carved her way unto me

Everyone has been burned before  
Everybody knows the pain  
Everyone has been burned before  
And everybody knows the pain

Everyone has been burned before  
And everybody knows the pain  
Everyone has been burned before  
Everybody knows the pain, the pain

Everyone has been burned before  
And everybody knows the pain  
Everyone has been burned before  
Everybody knows the pain, the pain
