the name of the song is hot fuge not queen bitch eat  
the rich

(Yee-haa)

Queen Bitch, eat the rich  
I'm on the second course today  
I'm not the first, and I won't be the worst  
She's done most of L.A.  
Can't find a virgin, I can get you a surgeon  
Twenty-four hours a day  
Collagen Jeanie, you big-lipped meanie  
I'm about to be blown away  
Come on, sing it

Take me to the place where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a Green Card in the way  
The Holy Ghost and the whole East Coast are moving to  
L.A.  
And we've been dreaming of this feeling since 1988  
Mother, things have got to change  
I'm moving to L.A.

Take a piss, always English  
God bless you, Uncle Sam  
You got a cool gene pool and our winter's cruel  
And God knows I love to tan  
Making cents and dead Presidents  
Before I could count to ten  
With a nation behind me, can't stop the limey  
She's on her back again  
Come on, sing it

Take me to the place where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a green card in the way  
The Holy Ghost and the whole East Coast are moving to

L.A.

Cause we've been dreaming of this feeling since 1988  
Mother things have got to change  
I'm moving to L.A.

L.A.,L.A.,L.A. L.A.,L.A.,L.A. L.A.,L.A.,L.A.

Take me to the place where the sunshine flows  
Oh my Sunset, Rodeo

Hot fudge, here come the judge  
There's a Green Card in the way  
The Holy Ghost and the whole East Coast are moving to  
L.A.

Cause we've been dreaming of this feeling since 1988  
Mother, things have got to change  
I'm moving to

Hot fudge here comes the judge  
There's just a green card in the way  
The Holy Ghost and the whole East Coast  
Are moving to L.A.

Cause we've been dreaming  
of this feeling since 1988  
Mother things have got to change  
I'm moving to L.A.

Moving to L.A.

Keep on movin',  
keep on movin',  
keep on movin' to L.A.  
L.A., L.A.  
Gotta move down to L.A.

Keep on movin' keep on movin' on  
Keep on movin', movin' on

Keep on movin', movin' on  
Keep on movin' Keep on movin' on

Keep on movin' keep on movin' keep on movin'  
keep on movin' keep on movin' on

Keep on move, a move move a move a move move  
move move move  
And stop
