twisted little hurricane  
i am a believer  
if i take you home again  
i will never leave you

cause this ain't my first rodeo  
we could make a video  
pumping on your stereo  
to the shit that's on the radio

to the shit that's on the radio  
to the shit that's on the radio  
shit that's on the radio  
to the shit that's on the radio  
shit that's on the radio

she was so saintly  
sexy little mover  
and i've been up all night  
so i don't wanna lose her

cause this ain't my first rodeo  
we could make a video  
pumping on your stereo  
to the shit that's on the radio

to the shit that's on the radio  
to the shit that's on the radio  
shit that's on the radio  
to the shit that's on the radio  
shit that's on the radio

searching for the girl, searching for the girl  
that made a pretty headline  
cause she was such a pretty girl, such a pretty girl  
that made a pretty headline

i know that you know  
when we get together  
love you like a hurricane  
i know that you know  
when we get together

love you like a hurricane

to the shit thatâ€™s on the radio  
shit thatâ€™s on the radio  
to the shit thatâ€™s on the radio  
shit thatâ€™s on the radio

i know that you know  
when we get together  
love you like a hurricane  
i know that you know  
when we get together  
love you like a hurricane
