I know I stand in line  
Until you think  
You have the time  
To spend an evening with me  
And if we go  
Someplace to dance  
I know that  
There's a chance  
You won't be  
Leaving with me  
Then afterwards  
We drop into  
A quiet little place  
And have a drink or two  
And then I go  
And spoil it all  
By saying something stupid  
Like I love you

I can see it in your eyes  
That you despise  
The same old lines  
You heard the night before  
And though it's

Just a line to you

For me it's true  
And never seemed  
So right before

I practice every day  
To find some  
Clever lines to say  
To make the meaning  
Come through  
But then I think  
I'll wait until the  
Evening gets late

And I'm alone with you  
The time is right

Your perfume  
Fills my head  
The stars get red  
And oh the night's so blue  
And then I go  
And spoil it all  
By saying something stupid  
Like I love you
