Vacant in a photograph waiting  
This isn't just a hurricane  
When you know what's coming  
It's a Soul Transmission

As we walk through history together  
Do you think we still come from  
this world we live on?  
It's a soul condition

How does it feel?  
What you want me to say?  
Cos I said it feels like being alone  
on Christmas Day

Pretty soon the world will start shaking  
Living in a tremelo  
And I don't get injured  
In my Soul Transmission

How does it feel?  
What do you want me to say?  
I said it feels like being alone  
on Christmas Day

Sights and sounds  
At the end of the day  
Make me feel like being alone  
on Christmas Day

Go keep it up  
It's your Soul Transmission (x4)

Waiting in an empty cathedral  
To look at what I'm running from  
And I don't get nervous  
It's a Soul Transmission

How does it feel?  
What do you want me to say?  
I said I feel like being alone  
on Christmas Day

Sights and sounds  
At the end of the day  
Make you feel like being  
Alone on Christmas Day
