I just wanna be x4

I lost all faith in what I know  
The future doesn't need me  
So I kick a bo agen a wo and head it till it don't hurt no  
more.  
Use my cuts and lacerations, feed myself a new  
sensation woah woah

Take a ride on your high horse  
If the horse is blind, use the force  
The falcon flies in two straight lines  
Red five standing by  
It's not a moon it's a space station  
It feels good the good vibration woah woah

I know that you know some lovely people.  
Send them all an invitation, yer party to a segregation  
woah. Woah

Viva life on mars I'm calling  
Sending my frequency to the galaxy so you can see  
people down here

They don't want us to discuss the picture in the caves  
of us.  
A nosebleed and a bag of coal then they put you in a  
hole.  
We're knee deep in information  
And they can't stop this conversation. Woah woah

I know that you know some lovely people.  
Send them all an invitation, party to a segregation  
woah. Woah

Viva life on mars I'm calling  
Sending my frequency to the galaxy so you can see  
we're all down here

I just wanna be x 8

Love is natural love is good

Not everybody does it but everybody should.  
With them and us we've made a mess,  
till they decide which god is best.  
Free yourself from liberation from lake Geneva to the  
freeland station woah woah

I know that you know some lovely people.  
Send them all an invitation, yer party to a segregation  
woah woah.

Viva life on mars I'm calling  
Sending my frequency to the galaxy so you can see  
people down here

Viva life on mars I'm calling x4
