I just wanna be
I just wanna be
I just wanna be
I just wanna be

I lost all faith in what I know
The future doesn't need me so
I kick a bow, again a woah
And yet until it don't hurt no more

Use my cuts and lacerations
Feed myself a new sensation
Woah, woah

I take a ride on your high horse
The horse is blind, use the force
A falcon flies in two straight lines
Red five standing by

Start a morning subspace station
It feels good the good vibration
Woah, woah

I'm all that you know
Some lovely people
Send them all an invitation
Party to a segregation
Woah, woah

Viva life on Mars I'm calling
Sending my frequency to the galaxy
As only you can see
Be more than me

They don't want us to discuss
The picture in the gaze of us
A nosebleed and a bag of coal
Then they put you in a hole

We're knee deep in information
They can't stop this conversation
No, woah

I'm all that you know
Some lovely people
Send them all an invitation
Party to a segregation
Woah, woah

Viva life on Mars, I'm calling
Sending my frequency to the galaxy
As only you can see
We're all down here

I just wanna be
I just wanna be
I just wanna be
I just wanna be

I just wanna be
I just wanna be
I just wanna be
I just wanna be

Love is natural, love is good
Not everybody does it but everybody should
Them and us, we've made a mess
Till they decide which God is best

Free yourself from liberation
From Lake Geneva to the Freeland station
Woah, woah

I know that you know
Some lovely people
Send them all an invitation
And party to a segregation
Woah, woah

Viva life on Mars I'm calling
Sending my frequency to the galaxy
As only you can see
We fall down here

Viva life on Mars I'm calling
Viva life on Mars I'm calling
Viva life on Mars I'm calling
Viva life on Mars I'm calling
