Just a young child, you've been runnin wild  
You saw the bright lights and they amazed you  
You said you had a good time, do goodtimes make you  
cry  
Brite eyes, I think they confused you  
You've got to see things for yourself  
You ain't livin for no body else  
So go on and take it, you can make it  
You say they don't understand, they guide you with a  
heavy hand  
Brite eyes, can't you see their afraid too  
They watch you growin' up, it's the one thing they just  
can't stop  
Brite eyes their afraid of loosin' you  
(Chorus) you've got to see things for yourself  
You ain't livin for no body else  
So go on and take it, you can make it  
Right or wrong, be strong, it'll come along

When that road gets hard to find, you'll be lookin for  
someone down the line  
But no one will be there to see you through, honey what  
you gonna do?  
(Chorus)

Brite eyes don't cry (x4)

It's gonna be alright  
I'm gonna take you on a midnight flight  
You're gonna grow up overnight  
It's gonna be alright  
It's gonna be alright
