Here - making each day of the year
Changing my life with a wave of her hand
Nobody can deny that there's something there

There - running my hands thru' her hair
Both of us thinking how good it can be
Someone is speaking
But she doesn't know he's there

I want her ev'rywhere
And if she's inside me I know
I need never care
But to love her is to meet her ev'rywhere

Knowing that love is to share
Each one believing that love never dies
Watching her eyes and hoping I'm always there

To be there and ev'rywhere
Here - there and ev'rywhere
