Times have changed  
But I just need  
Some time to rearrange  
To guide me back again  
Love has flown  
But I can't take  
This pressure on my own  
I walk on sinking sand

Time to realise  
Life is much too short  
Time to wonder why  
What I'm living for  
Without your love

I need you love  
I need it now  
I need to be with you tonight  
I need your touch  
I need your faith  
I need to feel you deep inside  
Hold me one more time

It's so hard  
'Cause I will always wonder  
Who you are  
Even when you're gone  
Now all I do  
Is cherish all my memories of you  
By knowing it's so wrong

I must clear my eyes  
And stop this endless war  
I must lose those lies  
It ain't worth living for  
Without your love

I need you love  
I need it now  
I need to be with you tonight  
I need your touch  
I need your faith

I need to feel you deep inside  
I was wrong to think  
That I was meant for you  
Now I just can't face the truth

Time will tell  
It will heal the wound inside  
But this pain  
Is still so difficult to hide  
Without your love

[Chorus]

I need your love - can't get enough  
I need your love  
I need your love  
I need your love - can't get enough  
I need your love  
I need your love
