They call you Lady Luck
But there is room for doubt
At times you have a very unladylike way of running out
You're on a date with me

The pickings have been lush
And yet before this evening is over
You might give me the brush
You might forget your manners
You might refuse to stay
And so the best that I can do is pray

Luck be a lady tonight
Luck be a lady tonight
Luck if you've ever been a lady to begin with
Luck be a lady tonight

Luck let a gentleman see
How nice a dame you can be
I've know the way you've treated
Other guys you've been with
Luck be a lady with me

A lady doesn't leave her escort
It isn't fair, it isn't nice
A lady doesn't wander all over the room
And blow on some other guy's dice

So let's keep the party polite
Never get out of my sight
Stick with me baby
I'm the fellow you came in with

Luck be a lady
Luck be a lady
Luck be a lady tonight

Luck be a lady tonight
Luck be a lady tonight
Luck, if you've ever been a lady to begin with
Luck be a lady tonight

Luck let a gentleman see
(Luck let a gentleman see)
How nice a dame you can be
(How nice a dame you can be)

I know the way you've treated other guys you've been
with
(Luck be a lady, a lady, be a lady with me)
Luck be a lady with me

A Lady wouldn't flirt with strangers
She'd have a heart, she'd have a soul
A lady wouldn't make little snake eyes at me
(Roll 'em, roll 'em, roll 'em, snake eyes)
When I've got my life on this roll
(Roll 'em, roll 'em, roll 'em)

So let's keep the party polite
(So let's keep the party polite)
Never get out of my sight
(Never get out of my sight)
Stick with me, baby, I'm the fellow you came in with
(Stick with me, stick with me, stick with me, baby)

Luck be a lady
(Luck be a lady)
Luck be a lady
(Luck be a lady)
Luck be a lady tonight
(What's the matter, roll the dice)

Coming out, coming out, coming out
Right
