Danzel
"He Ho D'samba"

He ho d'samba
He ho d'samba (x3)

There is a girl I used to know,
She was dancing in my show
And she had the perfect body.
When I was acting like a fool,
She was dancing oh so cool
Made me wanna do the samba.

He ho d'he ho samba
He ho d'samba (x3)

Every time she makes me sweat,
I hear samba in my head
And I try to keep on groovin'
But every time I lose control,

Cuz I've got disco in my soul
But a night is not a day.

He ho d'he ho samba
He ho d'samba (x3)

Samba!

Bang bang, it feels so good, one time!
Bang bang, it feels so good, two times!
Bang bang, it feels so good, three times!
Bang bang, it feels so good, ten times!

He ho d'he ho samba
He ho d'samba (x9)
