You are all of that, you are all of that  
You are all of that, you are all of that

Come on girl, oh! Can't you see  
You're the perfect match for me  
Get your body close to mine  
Cause you make me feel so fine

Come on girl, oh! Can't you see...yeah  
Come on girl, oh! Can't you see  
You're the one that makes me hot  
In your arms, I feel like God

Cause...  
You are all of that, you are all of that  
You are all of that, you are all of that

Come on girl, oh! Can't you see  
You're the perfect match for me  
Get your body close to mine  
Cause you make me feel so fine

Come on girl, oh! Can't you see...yeah  
Come on girl, oh! Can't you see  
You're the one that makes me hot  
In your arms, I feel like God

Cause...  
You are all of that (come on girls)  
You are all of that  
You are all of that (mmm)  
You are all of that  
You are all of that  
You are all of that

You are all of that (come on girls)  
You are all of that (mmm)  
You are all of that (you are all of that)  
You are all of that  
You are all of that (ohohoh)  
You are all of that

You are all of that
