A MEMO

I'm gonna warn ya, it aint over yet
Got you out of the hot water, but you're still all wet
And if you don't pay attention, you get what you
deserve
Better do some thinking, baby, remember who did
what
Better do some thinking, baby, remember what you
love

Aint got nothin but love for you, yes I do
But were gonna need more than that, yeeah, to see us
through

I know what you been through, youve had it rough
Don't let a fox make you a fool, but enough is enough
And if you don't pay attention, you get what you
deserve
Better do some thinking, baby, remember who did
what
Better do some thinking, baby, remember what you
love

Aint got nothin but love for you, yes I do
But were gonna need more than that, yeeah, to see us
through
