Dead of night baby
we're finally alone
I'll pull down the shades
if you'll unplug the phone

Put on some music
Marvin Gaye's real nice
Once we get settled
I'll turn out the lights

(chorus)
Don't be afraid of the dark
Don't be afraid of the dark
I'll be there to hold you
Don't be afraid of the dark

It might be scary
till your eyes adjust
Don't fear the shadows
it's me you can trust

I'm at my best
in a pitch black room
Hold on tight baby
you'll feel the power soon

(chorus)

I'll be there to hold you
Don't be afraid of the dark
(instrumental)

You might tremble
you might shake
Scream out loud
you may even pray

I know which moves
suit you right
You'll beg for more
you'll forget about the night

Don't be afraid of the dark
Baby don't, no
I'll be there to hold you
Don't be afraid of the dark

I'll be there to hold you
Don't be afraid of the dark

Don't be afraid of the dark
Baby don't, no
I'll be there to hold you
Don't be afraid of the dark

I'll be there to hold you
Don't be afraid of the dark
Baby, baby don't, no no no
