You always take what's serious for granted, uh huh
You think that everything's cool and you think I'm
satisfied, no no
You didn't think that it was necessary, uh huh
To call me a baby and tell me don't worry, no no

I wanna know what you intend to do
When you wake up one day with no one next to you
All on your own, no one else home
All on your own

'Cause I know when it's enough
And babe, I've had enough

I'm tryin' to keep you, why I don't know
'Cause you won't have a thing to do with this man, no
no
I'm back in the corner watchin' you dance
Hey, feels so bad, baby so long

Nothin' else matters when you're alone always
Time to move along

'Cause I know when it's enough
And baby that's enough for me

Oh, you never seem to be in any hurry, oh no
I'm beggin' you baby, won't you please have mercy?
I don't believe that you hear what I'm sayin'
You think I'm actin' a fool, you think that I'm playin', no

I wanna know what you intend to do
When you wake up one day with no one next to you
You're all on your own, no one else home
You're all on your own, hey, what 'ya gonna do about it?
You're all on your own

'Cause I know when it's enough
And baby that's enough for me
