Hey

Now I've look for you everywhere
But I can't find ya
No, no, no

Last time I saw ya
You were talking on the phone
And after that you ran out the door

And I'll go on
Lovin' you

You might be at the neighbor's
'Cause you and her like to take tea once and a while
You might have the car and gone over to Macy's
'Cause I know you're a little behind in style

And I'll go on
Loving you, yeah
Hey, baby
Hey

Why didn't you come home last night?
Why did you not call me?
When are you gonna come home and squeeze his
man?
'Cause don't you know that I'm feelin' real lonely

And I'll go on
Loving you

And I'll go on
You know I'll go on, baby
Lovin' you

Hey
