Not bad for love, not bad at all  
Isn't it amazing how it's so strong?  
We've been around much too long  
To let a little pain cut us off

Those days are gone, yeah  
Love's not bad at all

Down on my luck and I was lost  
Could have gave up on living  
But you didn't let me fall, no, no

Now just because, we don't agree  
That doesn't mean  
That you and I can't be together  
No, no, no

I guess we're hard to keep apart  
Love's not bad at all

Down on my luck and I was lost  
Could have gave up on living  
But you didn't let me fall, no

We've been around much too long  
To let a little chain go and stop it all

But that was yesterday  
I guess we're on to keep apart, yeah  
You have my heart

You can't keep us apart, no  
Love's not bad at all, oh  
Not bad at all
