Every breath you take and every move you make
Every bond you break, every step you take
I'll be watchin' you

Every single day and every word you say
Every game you play, every night you stay
I'll be watchin' you

Oh, can't you see
You belong to me
How my poor heart breaks
With every step you take

Every move you make and every vow you break
Every smile you fake, every claim you stake
I'll be watchin' you

Since you've gone I been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep cryin', baby, baby, please

Oh, can't you see
You belong to me
How my poor heart breaks
With every step you take

Every move you make and every vow you break
Every smile you fake, every claim you stake
I'll be watchin' you
Every move you make, every step you take
I'll be watchin' you

I'll be watchin' you
(every breath you take, every move you make,
every bond you break, every step you take)
I'll be watchin' you
(every single day, every word you say,
every game you play, every night you stay)
I'll be watchin' you

(every move you make, every vow you break,
every smile you fake, every claim you stake)
I'll be watchin' you
(every single day, every word you say,
every game you play, every night you stay)
I'll be watchin' you
(every breath you take, every move you make,
every bond you break, every step you take)
I'll be watchin' you
(every single day, every word you say,
every game you play, every night you stay)
I'll be watchin' you
(every move you make, every vow you break,
every smile you fake, every claim you stake)
I'll be watchin' you
(every single day, every word you say,
every game you play, every night you stay)
I'll be watchin' you
