There's a soft rain tapping on your window  
There's a cool breeze blowing off the bay  
A warm flame dancing with our shadows  
To music playing far a way

I never meant to stay an hour  
I thought that I was passing through  
Another town along the highway  
I never meant to fall for you

## CHORUS

I can't speak for you Maria  
I only know the way I feel  
But when I sleep with you Maria  
There's nothing left for dreams to steal

On a Bible by the mirror  
The only treasures that we hold  
The only secrets that we're keeping  
A watch, a chain, a cross of gold

## REPEAT CHORUS

When the sunlight brings the morning  
I cannot tell you what I'll do  
But I've a mind to take you with me  
And I've a heart to stay with you

## REPEAT CHORUS

Repeat last line of chorus
