Take a straight and stronger course
To the corner of your life
Make the White Queen run so fast
She hasn't got time to make you a wife

'Cause it's time, it's time in time
With your time and its news is captured
For the queen to use
Move me on to any black square

Use me any time you want
Just remember that the gold
As for us to capture all we want, anywhere
Yeah, yeah, yeah

Don't surround yourself with yourself
Move on back two squares
Send an Instant Karma to me
Initial it with loving care, don't surround yourself

'Cause it's time, it's time in time
With your time and its news is capture
For the queen to use

Diddit diddit diddit diddit diddit diddit diddit didda
Diddit diddit diddit diddit diddit diddit diddit
Don't surround

Didda, yourself with yourself
Don't surround yourself with yourself, don't surround
yourself
Move on back two squares
Send an Instant Karma to me, send an instant
Initial it with loving care Karma to me, don't surround
yourself

'Cause it's time, it's time in time
With your time and its news is captured
For the queen to use

Diddit diddit diddit diddit diddit diddit diddit didda.
