I've been waitin' for someone  
So fine...  
I'm statin' my case for someone  
Puttin' it on the line  
Are you gonna be the one?

I've been waitin' for someone  
So fine...  
I wanna know if you think in your life  
Maybe you got some time?  
Are you gonna be the one?  
Are you gonna be the one?

I've been waitin' for someone  
So fine...  
She's just around the corner  
She's tough, fast and sly

I've been waitin' for someone (I've been waitin')  
So fine...  
I wanna know if you think in your life  
Maybe you got some time?  
Are you gonna be the one?  
Are you gonna be the one?

Soon you'll be all mine  
Soon you'll be all mine  
Now, are you gonna be the one?
