I have given you time,  
For spendin' my hours,  
For buying things I bought for you,  
The many things I've done for you,  
But now, now,  
You say we are through.

I've given you?  
Explaining the weather.  
Many things I turned away,  
I thought of all the things to say,  
But now, now,  
You said we are through.

If you don't want my love,  
If you don't want my love,  
If you don't want me, baby...

I have given you time,  
For spendin' my hours.  
The fine things I bought for you,  
The many things I've done for you.  
But now, now,  
You said we are through.

If you don't want my love,  
If you don't want my love,  
If you don't want me, baby...

If you don't want my love,  
If you don't want my love,  
If you don't want me, baby...
