Not totally complete/Interpretation (of what i think it is)

Key=

(not sure)

since I was a child
lay awake at night
tucked into my darkened world
'til the morning light

served my time upon this earth
angel to my side
hidden out among the thieves
Damn this place to die

Come onto me, fill my heart with hate
Come onto me, fill my heart with hate

Jackal out, for *(yields)* the life, 7th day of dying
to uphold on gods green *(earth/grass)*, nothing left
alive.

Come onto me, fill my heart with hate
Come onto me, fill my heart with hate
Angel of 7th Dawn
Angel of the 7th Dawn
to my side and onto god
Angel of the 7th Dawn
Angel of Dawn

Show this world to suffer, Show this world to die
*(show me up some)*greed and pain
send them screaming

Come onto me, fill my heart with hate
Come onto me, fill my heart with hate

Angel of 7th Dawn
Angel of the 7th Dawn
to my side and onto god
Angel of 7th Dawn
Angel of Dawn
Angel of Dawn
