Did my time among the creeps  
Did my time among the thieves  
Did my time among the scores  
Did my time among the whores  
Did my time among the blessed  
Walked among the living dead  
Searching up and down this world  
Doing things you've never heard

Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my pain

Did my time among the lost  
Paying such a heavy cost  
Did my time among the cruel  
Laying with the broken fools  
Did my time among the slaves  
Walked around their waiting graves  
Did my time among the lies  
Watching as they slowly die

Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my pain

Did my time among the strong  
Some are here and some are gone  
Did my time among the cursed  
Praying that my brain would burst  
Did my time among the slaves  
Walked upon their living graves  
Did my time among the lies  
Watching as they slowly die

Down in the belly of the beast I lie

All I save is my...  
Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my...  
Down in the belly of the beast I lie  
All I save is my pain

All I save  
All I save  
All I save  
All I save
