Blood and tears  
Blood and tears  
Since you've been gone  
I hear you've been crying  
Blood and tears

All alone  
In your misery  
So alone  
Could you have been deceived

Since I've been gone  
I hear you been crying

You cry a thousand tears  
Darling, don't despair  
I know your heart still bleeds  
Darling, don't you care  
There's blood in your tears

All alone  
In your misery  
So, all alone  
You are lost endlessly

Since you've been gone  
I hear you been crying

You cry a thousand tears  
Darling, don't despair  
I know your heart still bleeds  
Darling, don't you care

You cried a thousand tears  
Darling, don't despair  
I know your heart still bleeds  
Darling, don't you care  
There's blood in your

You cried a thousand tears  
Darling, don't despair  
I know your heart still bleeds

Darling, don't you care

You cried a thousand tears  
Darling, don't despair  
I know your heart still bleeds  
Darling, don't you care  
There's blood in your tears  
There's blood in your tears

Blood and tears  
Blood and tears  
Blood and tears
