Deth Red Moon  
Long  
Are The Twisted Vines  
Growing & Knarled Inside

Look & You'll Find  
That They Never Die

Long  
Are The Twisted Vines

Deth Red Moon  
Going Down  
Deth Red Moon  
Burning Down

Cold  
Is The Wailing Night  
Gone Are The Tranquil Skies  
Look Round You'll See

All The Longing Eyes  
Cold  
Is The Wailing Night

Deth Red Moon  
Going Down  
Deth Red Moon  
Burning Down

& There's No Escaping  
From This Hell It's Making  
& There's No Escaping Now  
Burning Down  
Deth Red Moon  
Going Down  
Deth Red Moon
