You can't change it
Can't rearrange it
If time is all that we got
Then baby let's take it

Lovin' is a lovin'
The moment is a right
Give all those painful memories
Let's go one more night

Get away from the blind side of life
Honey, I want you to be by my side
Me and my back door moves
Ain't no more, no more

Get away from the blind side of life
Honey, I want you to be by my side
Me and my back door moves
Ain't no more, no more

Get away from the blind side of life
Honey, I want you to be by my side
Me and my back door moves
Ain't no more, no more

Get away from the blind side of life
Honey, I want you to be by my side
Me and my back door moves
Ain't no more, no more

Goodnight my darlin'
Another day has passed
Forget all those painful memories
Our love gonna last

Come to me, baby
Come to me one more time
It's time we got movin'
Time to move on

Let's slide out the door
Let's slide out the door

Glide our way home
Glide our way home

Let's go, let's go
Let's go, let's go
Let's go, let's go
I've come back for more, come on
