Death Head Smiles
The Hammer Strikes
Thundering The Names
Everything U Know Is Naught
And Never be Regained
The Spear Is Thrust
The Iron Sparks
Cutting Thru The Lamb
Cults Of Death
& Ragnarok
Calling Down The End

Can U Feel It
Can U Feel It
Hammer Of The Gods at Hand
Can U Feel It
Can U Feel It
Hammer Of The Gods at Hand

Grinning Death

Woden Like
Courses Thru Your Breath
Everything U Knew Is Dead
& Never Live Again
The Hammer Strikes
Upon The Land
Knights Of Lightning Raise
Every Living Thing U Knew
Will Never Be The Same

Can U Feel It
Can U Feel It
Hammer Of The Gods at Hand
Can U Feel It
Can U Feel It
Hammer Of The Gods at Hand
