Stick the knife right in  
Blood is running red  
Cut the stomach right  
I start to crawl inside

Pull the skin apart  
Now it's getting hard  
Start to slip right in  
Blood is getting thin

See the world surround  
Watch the bloody ground  
I put her in the ground  
My come is all around

Put my finger in  
It's just a little thing  
When I take it out  
It's in her bloody mouth

Make my dying bride  
I part the bloody hide  
Put my dick right in  
Her cum is getting thin
