Blackest of the black  
Darker than night  
Come to me my bleeding light  
See she comes  
She comes now  
Enter oblivion

Here she is  
Harder than life  
In my arms  
See she there  
Entwined w/ love  
Unclean she is

And she comes down to me  
And she offers me sleep  
Under her black wings

See she comes  
On the eve of dusk  
In another form  
W/a scent of rain upon her neck  
She brings the lust  
Supernatural  
Ceasing never  
On and  
On and  
On

Her stride is such  
Mortals freeze  
When she walks past  
And she comes down to me  
And she offers me sleep  
Under her black wings

See she comes  
Blacker than pitch  
Have to make this fallen bitch  
All I want  
All I crave  
Demoness calls

The bitch is come  
For those who wait  
Cross the breach in hell  
See she is  
Bedeviled with breasts

Enchantment on legs  
And she comes down to me  
And she offers me sleep  
Under her black wings
